

Wyclef Jean – musician, Haitian Goodwill Ambassador and founder of Yéle Haiti – with some of the students in Gonaïves, Haiti, who are sponsored by the HELP HAITI campaign.

HELP HAITI

May & June 2009

Give 25¢ to help put Haitian children in school

During the months of May and June 2009, students throughout Canada are invited to give 25¢ each to help put Haitian children in school.

Haiti is the poorest country in our hemisphere. Its government is not able to pay for education, and the result is that nearly one million children do not attend school. Work is scarce and unemployment high, so many families just cannot afford to pay the necessary fees.

HELP HAITI began in Alberta in 2005 and the program is now expanding to other provinces. If every student gives 25¢, we CAN HAVE A SIGNIFICANT IMPACT. It takes 315 students giving 25¢ each to put one pupil in Haiti in school for a year.

Last year students in Alberta paid tuition for 345 children in Haiti. With students in other provinces joining in this year, we can send even more children to school.
